State Rankings 2019: A Statistical View of America

Published annually by CQ Press, this book features comprehensive state statistics across key measures in education, health, crime, transportation, taxes, government finance, and so much more.

Overall state rankings are provided as well as a complete list of all sources used to compile the tables.

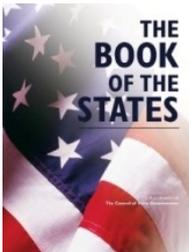

Statistical Abstract of the United States 2019

Published by ProQuest, this resource has provided a statistical portrait of social, political, demographic, and economic conditions of America since 1878.

The 2019 edition includes over 1,400 tables from hundreds of sources. Several new tables have been added this year on a variety of topics, including: mental health treatment facilities and community health centers; opioid treatment clients and facilities; the digital economy; child care arrangements and expenses; and career and technology education programs in public high schools.

The Book of the States, Volume 50

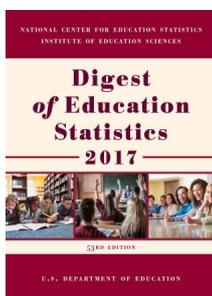

Published by the Council of State Governments, The Book of the States has been the reference tool of choice since 1935, providing relevant, accurate and timely information, answers and comparisons for states, commonwealths and territories of the United States.

The 2018 volume includes 186 in-depth tables, figures and infographics illustrating how state government operates.

Volume 51 will be available in the fall of 2019.

Digest of Education Statistics 2017

Published by the National Center for Education Statistics, this book provides a compilation of statistical information covering the broad field of American education from prekindergarten through graduate school.

This publication contains information on a variety of subjects, including: the number of schools and colleges, teachers, enrollments, and graduates; educational attainment; finances; and federal funds for education, libraries, and international education.
